Postgraduate Entrepreneurship Program for Executives (PEPX)

A part of your time is all you need to build your own empire!

The Entrepreneurship School (TES) is home to #1 Program for Founders, Startups and Entrepreneurship.
The Entrepreneurship School (TES) is one of its kind institution uniquely dedicated towards entrepreneurship. We provide all expertise, support and connections required to budding as well as established entrepreneurs.

The Entrepreneurship School is envisioned as an institution that acts as a catalyst in the lives of aspiring entrepreneurs, who in turn have the passion and energy to change the world.

“I am still hung-over with the excitement of The Rodinhoods Open House at TES. I saw a whole lot of synergies between TES and us.”

CAREER OPTIONS AFTER PEPX

After PEP candidates can either start their own ventures or consider a career in the field of innovation and startups. Employers like Google, Facebook, Microsoft, Amazon, IBM, FlipKart, SnapDeal, Zomato, CocaCola, Vodafone, Airtel, MuSigma etc. constantly search for intrapreneurs and innovators who can provide the NEXT BIG THING for them.

"After 3 years of corporate career, I wanted to do something meaningful in life. Then I joined TES. It’s been 5 months and I am on way of starting my own venture. That’s fantastic!

TES is the place to kick-start your startup. Top class faculty, excellent curriculum, life changing experience!!"

- Paramjit Singh Rathore, Student

Eligibility Criteria

Ideally, PEPX applicants should be Graduate with 5 to 15 years of professional experience.

We also believe that there are several people with proven entrepreneurial experience without proper educational qualification. Therefore, we are happy to consider such ‘exceptional candidates’ with very strong entrepreneurial instincts / record.

If you do not have proper educational qualification, but have very strong entrepreneurial drive, please take the Short EQ TEST. On the basis of your EQ score our Admission Counselors will speak with you to advise on the next steps.
Program Benefits:

- Build your venture in 12 months flat
- Visiting Faculty / Experts from Top US / UK Universities like California, Cambridge, Michigan, Oxford, New York, Purdue, Silicon Valley etc. - Get a global outlook and share best business practices across the world
- Mentoring from real life Entrepreneurs and TES Faculty
- Full support from TES Ecosystem for technology development, marketing/branding/promotion, financial & legal advisory and access to TES Angel Network
- Lifelong Membership to TES Entrepreneurial Leadership Club

“Discussion with my TES mentor helped in bringing clarity to the priorities and objectives for Readers Door. I could never have got such insights on my own. Ultimately, it helped me close the angel round.”
